

# Chess Castle's Schoolchildren's Online Chess Club

All students in **grades 1-6** can participate in Chess Castle's online chess club without prior knowledge of chess, however, the club is not intended for strong competitive players. The online chess club offers a good additional opportunity to practice chess in a suitable level group every week in addition to the school club. The online chess club offers the opportunity for good practice games and at the same time also the chance to compare one's own playing strength with local and national students who are in the same grade. The autumn season of the online chess club starts on **October 6**. The club meets on **Sundays at 3:00-4:00pm**. The club season lasts for 10 weeks, so the last club session of the season will be held on **15.12**. You don't have to participate in every session, but you can freely choose to participate according to your own schedule.

## GENERAL

The online chess club is intended for all 1-6 grade students who are involved in Chess Castle's school chess clubs or a similar activity.

It is easy to join the online chess club and you can participate via computer, tablet or Smartphone. Additional information concerning the practicalities will be sent to the participants by email.

Six fast-paced games are played in the club every week and one game lasts a maximum of 10 minutes.

At the end of the club season, the three players who have scored the most points in each grade will be awarded fine *Chess Castle* medals. Medals will be awarded locally and nationally. The local areas are the Helsinki region, the Tampere region and Porvoo. Students from all three regions will compete for national medals.

## PRICE

The price for the online chess club's autumn season is **15 euros** (incl. VAT 25.5%). Registration is requested at the same time as you register at Chess Castle for school clubs. You can also register for the online chess club separately and in the middle of the season.
